

CONFIRMATION OF PARTICIPATION DATA4GOOD-VOLUNTEERING

On Apr 28, 2026,

Roxana Runcan

participated in the workshop **"Introduction to social impact and impact measurement"**
organized by CorrelAid e. V.

The 60-minutes interactive online workshop included the following topics:

- Foundations of impact and impact orientation
- Theory of change, IOOI and different models of impact measurement
- The strategic purpose of impact measurement in NPO
- The workflow of impact measurement: planning, data collection, data analysis and usage
- Examples of what to expect in CorrelAid Data4Good projects regarding impact measurement

Participants...

- ... know what impact is and why NPOs measure it,
- ... know about theories of change and terms such as output or outcome,
- ... can explain what indicators are and which different kinds exist, and
- ... have an understanding about what they can expect in Data4Good projects dealing with impact measurement.
